

DISPLAY.

SPAZIO

Located at Viale Stelvio 66, a short distance from the Isola, Garibaldi, and Bicocca neighborhoods, the venue offers 160 square meters of total space, with a 90 square meter open space room, a 20 square meter room, and a kitchen area, all flexible and adaptable to various production needs.

Characterized by a minimal and contemporary style, enriched with refined furnishings, the new venue stands out for its impeccable organization and attention to creative work and the exchange of ideas.

DISPLAY is situated in a condominium setting dedicated to commercial activities, located on the ground floor of the building overlooking the inner courtyard, and also features an outdoor space for guests.
